---

## WINE EDUCATOR

Michael Laidlaw graduated from the U.S. Air Force Academy in 2001 with a degree in Biochemistry and graduated from Georgetown University School of Medicine in 2005. He has always loved wine but truly found a passion for it after moving to San Francisco with his wife Kristen to continue his training at the UCSF Orthopaedic Surgery Residency Program. Despite minimal time away from the hospital, Michael enjoys working the tasting room at Pina Napa Valley on the weekends, continues his wine education with a “hands on approach,” and hopes to learn as much as he can from the coming harvests.
