## **SALES MANAGER**

After graduating the University of N. Texas, Denise began traveling with Houston's Restaurants in various cities on the west coast. Her travels brought her to Napa Valley in 1999, where she has found her niche. As a ten year veteran of the wine industry, Denise's warmth, depth of experience and passion makes her a strong addition to the Pina team. Prior to joining us, she successfully developed and oversaw Direct Sales at PlumpJack winery and Revana Family Vineyard. After taking a brief period off to have a baby, she is ready to get back to business. Denise and her husband Gerry enjoy entertaining with friends in the valley, and raising their son Tristan.
