

LESLIE BURMA

WINE EDUCATOR

Leslie and her husband Dave have been living in Napa for 15 years. She received her Masters from RMIT in E-Commerce. After working 30 years in Pharmaceutical Manufacturing as a Project Manager she left the corporate world to educate visitors to Napa Valley about wine. In addition to working part-time here at Pina, Leslie gives wine tours, enjoys woodworking, playing golf, waterskiing and playing the guitar. Her real passion has been making award winning home wines since 1997 for friends and family. She tends to her little Pinot Noir vineyard and makes one barrel of wine a year at her home.
